

MIE Trainer Academy

TWO DAY WORKSHOP

The Microsoft Innovative Educator (MIE) Trainer Academy is designed for teacher trainers and those who are responsible for training educators on the integration of technology in the classroom. The goal is to provide trainers exposure to the many Microsoft technologies and resources that support student-centered learning based on authentic problems and projects while aligning to 21st Century Skills, ISTE Standards for Educators, and UNESCO's ICT Framework for teachers.

Benefits to becoming an MIE Trainer

- Learn about the latest research findings on effective professional development models and the implications for teacher trainers.
- Access to professional development content that you can use as a trainer.
- Understand how you can use Microsoft professional development including needs assessments, adaptable training materials, and evaluation tools.
- Earn a MIE Trainer or MIE Master Trainer Badge.
- Get a MIE Trainer or MIE Master Trainer email signature to use.
- Participate in ongoing discussions and receive recognition for the important work you do.
